## Advice from London Fire Brigade

Dear Watch Member,

Please see the below advice from London Fire Brigade.

BBQ's, fires & bonfires are not allowed in Havering Parks.

Please help our emergency services in preventing grass & wild fires.

Don't BBQ inside, on a balcony or on wooden decking.

Place disposable BBQ's on non-flammable surfaces.

Place BBQ away from fascia/soffit, fences, trees etc.

Have a bucket of water and/or sand nearby.

Don't have too much alcohol or leave the BBQ unattended.

Ensure cigarettes are out completely.

Do not throw cigarettes out of your car window onto grass verges or vegetation.

Do not leave glass bottles lying on the ground - the sun's rays reflect through the glass and can start a fire.

Please help our emergency services who are very busy by adhering to the above - working together to keep us all safe.
