## Identimark for Vehicle Owners

Dear Watch Member,

As an effective way to deter car thieves, the Police continue to advise car owners to have the registration number of their vehicle permanently security-marked onto all the windows.

Simply by fitting false number plates, a thief can alter the true identity of any car in minutes - but having to replace every piece of glass would prove time-consuming and very expensive.

The identimark car window etching service is £29.95 per vehicle at your premises.

Please contact for appointments/advice.
