

Midhurst Close, Elm Park

What a shock when this beautiful willow tree came tumbling down last night in Midhurst Close, falling on 4 vehicles.

Residents phoned us and we rushed to the scene.

Councillor Barry Mugglestone
Councillor Stephanie Nunn

Mrs Mills is trying to find her daughter's car, badly damaged by the tree.

Neighbours Vic Kendrick and and Brian Mills had both been asking for the tree to be pruned, but no one imagined this would happen.
