

FREE COMPOST WORKSHOPS

Come and spend time at the beautiful gardens of Langton's House with the Havering Waste & Recycling Team. Our free home compost workshops are available to Havering residents who are new to composting or would like to improve the quality of the compost they produce at home. We have a morning or afternoon session to choose from.

Monday 5th July 2021

Session one 10:00 – 12:00 noon or Session two 13:00 – 15:00 at The Greenhouse, Langton's Gardens, Billet Lane, Hornchurch, RM11 1XJ

To book your space or to simply find out more about composting and the offers available to Havering residents please visit www.havering/compostdoctor.gov.uk . To register for a workshop please use the yellow tab on this web page.

Booking is essential and spaces are available on a first come, first served basis. For further information please contact the team at Rubbish&recycling@havering.gov.uk
