

Stolen Drain Covers

All three of your Elm Park FOCUS team members received reports of drain covers stolen from Cowdray Way and Petworth Way. We reported this to the Havering out of hours emergency number 01708 433999 and asked them to make them safe as we didn't want residents or cars having accidents or getting trapped.

We received confirmation of our reports and were advised that these thefts had happened all over Havering. Please look out for thefts in your area.

Councillor Barry Mugglestone went to check that the warning cones had been put out in Petworth Way and Cowdray Way.

Thanks to Highways for their prompt action.

Weeding, Litter Pick and Graffiti reports

Cllr Stephanie Nunn and Julie Wilkes had a final weeding and litter picking session on Friday in Elm Park town centre. They also photographed and reported graffiti and asked for it to be removed. Next community session in the New Year watch out for details on the noticeboard or in FOCUS.
