Polling stations

The location of your polling station is always printed on your poll card.

If you go to another station you will not be able to vote there, so please check.

Poll cards for the 5 May 2022 local elections should have been delivered between Friday 25 March and Monday 4 April 2022.

You can enter your postcode in the polling station finder on the Havering website https://www.havering.gov.uk/info/20046/elections_and_voting/523/polling_stations to find an address and a map for your polling station.

Please note that this polling station finder is updated shortly before elections.

This means the search might not return any results for you until a few days before the election is due to take place.
