

ELM PARK NEWS

1 We've received the following email from our PCSO about the latest scam - beware

Good morning Ward Member

Hope you are keeping well and staying home, I just wanted to make you aware of individuals that have been knocking door to door and trying to sell household products to elderly and vulnerable residents in Elm Park.

They knock on the door and tell the resident that they are working for a Charity called The Helping Hand Project, this information is false and they do not work for any Charities, these individuals are trying to get elderly and vulnerable residents to buy their household products for extortionate prices, one resident was charged £30 for one cleaning cloth.

Please be aware of these individuals and don't buy anything just shut the door on them, if you need Police then contact us don't feel you're wasting our time, if it's an emergency then call 999 if it's not an emergency then call 101.

Take care and stay safe
